Achieving individual excellence
in a caring community

Headteacher's Introduction

It is a privilege to introduce Haydon School's examination results for 2025–26 and, as the new Headteacher, to celebrate the achievements of our students and the staff and families who have supported them.

These results reflect hard work, determination, and perseverance. Behind every grade is an individual journey, and I am immensely proud of how our students have approached their studies and the opportunities they have created for themselves as they move on to the next stage of their education, training, or careers.

Year 11

Our Year 11 students achieved strong GCSE results. **20% of all GCSE grades were at grades 9–7, while 52% were at grades 9–5. In English and Mathematics, 63% of students achieved a standard pass in both subjects and 46% achieved a strong pass.** We also saw particularly strong outcomes at grades 9–7 in English Language, English Literature and Mathematics. I congratulate every student on their achievements. Examination results are an important milestone, but they also represent the knowledge, confidence and resilience that our young people will take with them into Sixth Form, further education, apprenticeships and beyond.

Year 13

Our Year 13 students also achieved much to celebrate, with **16% of A-level grades awarded at A*/A, 35% at A*–B and 60% at A*–C. 132 students have progressed to university, including 52 to Russell Group universities.** The breadth and ambition of their destinations is particularly impressive. Haydon students are progressing to universities across the country, including Cambridge, Oxford, Imperial College London, UCL, King's College London, Durham, Bristol, Warwick, Bath, Manchester, Birmingham, Leeds, Nottingham and York, studying courses ranging from Medicine, Natural Sciences and Engineering to Computer Science, Law, Economics, Psychology and the Arts.

Among this year's exceptional individual achievements are a student progressing to the University of Cambridge to study Natural Sciences with four A* grades, and another progressing to the University of Oxford to study History and Politics. Other students have secured highly competitive courses including Medicine at Manchester, Birmingham and King's College London, as well as destinations such as Durham, Bristol, Warwick and Bath.

University is, of course, only one route our students pursue. I am equally pleased to see students progressing to degree apprenticeships in Engineering with VolkerFitzpatrick and Media Production with Pinewood Studios, demonstrating the range of pathways available to our young people. What strikes me most as I begin my time at Haydon is our students' ambition and the strength of the community around them. Our commitment is not simply to examination success, but to ensuring that every young person is known, supported and challenged to achieve their individual excellence. I congratulate our Years 11 and 13 students and thank our staff and families for everything they have contributed to these achievements. I look forward to building on this strong foundation and to seeing where the next chapter takes our students.

Haydon's Outstanding Academic Achievements

2025-26

A LEVEL

16% grades A*/A at A Level
35% grades A* to B at A Level
60% grades A* to C at A Level

132 students have gone on to University, 52 to Russell Group Universities

GCSE

20% grades 9 to 7 (A*/A)
52% grades 9 to 5 (strong pass or above)

44% of students gained 5 grades 9 to 5 (strong passes) including English and Mathematics
61% of students gained 5 grades 9 to 4 (standard passes), including English and Mathematics

18% grades 9 to 7 in English Language GCSE
19% grades 9 to 7 in English Literature GCSE

23% grades 9 to 7 in Mathematics GCSE

Attainment 8 - 46.61
63% grades 9 to 4 in English and Mathematics (Standard Pass)
46% grades 9 to 5 in English and Mathematics (Strong Pass)

UNIVERSITY DESTINATIONS AND COURSES

Provider name	Course
University of Leeds	Interdisciplinary Science with Foundation Year
Brunel University of London	Law with Criminal Justice with Placement
City St George's, University of London	Mathematics
City St George's, University of London	Computer Science with Cyber Security (with Integrated Foundation Year)
City St George's, University of London	Economics
University of Surrey	Economics and Finance with Foundation Year
Manchester Metropolitan University	Education
UCL (University College London)	Pharmacy
Coventry University	Business Administration with foundation year
Royal Holloway, University of London	Psychology
City St George's, University of London	Psychology
Royal Holloway, University of London	Politics, Philosophy and Economics
University of Portsmouth	Science with Foundation Year
Royal Holloway, University of London	Law with Integrated Foundation Year
University of Southampton	Mechanical Engineering
Sheffield Hallam University	Interior Architecture and Design
Buckinghamshire New University	Aviation Management
Liverpool John Moores University	Media Production
Central Film School London	Practical Filmmaking
Brunel University of London	Biomedical Science (Biochemistry)

University of Sussex	Sociology with a Language
University of Westminster, London	Fine Art Mixed Media
University of Westminster, London	Cognitive and Clinical Neuroscience
University of Hertfordshire	Initial Year for Extended Degree Science- BIOMEDICAL AND HEALTHCARE SCIENCE
Oxford Brookes University	Business and Finance
Manchester Metropolitan University	Sports Business Management
University of Nottingham	Engineering and Physical Sciences with Foundation Year
Goldsmiths, University of London	Economics with Data Science
University of Leicester	Medicinal Chemistry
Oxford Brookes University	Criminology and Anthropology
King's College London, University of London	Geography
University of Southampton	Psychology
University of Portsmouth	Palaeontology
Brunel University of London	Accounting and Business Management
University of Southampton	Business and Artificial Intelligence with Placement
University of Nottingham	Finance, Accounting and Management
Queen Mary University of London	Engineering with Foundation
King's College London, University of London	Sociology, Politics & Religion
Birmingham City University	Architecture
University of Liverpool	History
UCL (University College London)	History, Politics and Economics
City St George's, University of London	Psychology
University of Warwick	Accounting and Finance with Placement Year

Brunel University of London	Banking and Finance
Loughborough University	Fine Art
Swansea University	Law in Practice with Criminology
University of Liverpool	Zoology
University of Warwick	Neuroscience with Placement Year
King's College London, University of London	Mathematics with Statistics
University of York	English
Cardiff University	Psychology with Professional Placement Year
Imperial College London	Economics, Finance and Data Science
King's College London, University of London	General Engineering
University of Bath	Accounting and Finance
University of Nottingham	Chemical Engineering including an Industrial Year
University of Leeds	Diagnostic Radiography
University of Bath	Computer Science with professional placement or study abroad
University of Manchester	Medicine
King's College London, University of London	Medicine
Queen Mary University of London	Mathematics with Foundation
University of Sussex	Chemistry
University of Sheffield	Physics
University of Birmingham	Medicine
University of Leeds	Dental Surgery
University of East London	Accounting and Business Management (with Foundation Year)
Royal Holloway, University of London	Law
Kingston University	Financial Economics including Foundation Year
Manchester Metropolitan	Early Years and Childhood Studies

University	
Nottingham Trent University	Business (with Foundation Year)
University of Surrey	Economics and Finance
University of Reading	Medical Science with Foundation
University of Westminster, London	Law
Royal Holloway, University of London	Law
Liverpool John Moores University	Media, Culture, Communication with Foundation Year
Brunel University of London	Computer Systems Engineering
City St George's, University of London	Law LLB
City St George's, University of London	Commercial Dance
University of Plymouth	Biomedical Science with Foundation Year
St Mary's University, Twickenham	Sport Rehabilitation
Nottingham Trent University	Business (with Foundation Year)
Bournemouth University	Sport Management
University of Exeter	English
University of Surrey	Business Management with Marketing with Foundation Year
The University of Law	Law
Middlesex University	Neuroscience
Queen Mary University of London	History
Royal Holloway, University of London	Psychology
University of Kent	Law and Criminology
City St George's, University of London	Economics
Swansea University	Psychology with a Foundation Year

Nottingham Trent University	Business (with Foundation Year)
University of Kent	Business and Marketing
University of Bath	Civil Engineering
University of Kent	Law
Kingston University	Pharmacology
University of Liverpool	Civil Engineering with a Year in Industry
University of Southampton	English with Year Abroad
Middlesex University	Accounting and Finance
Cardiff University	Geology with a Year of Study Abroad
University of York	Psychology
University of Southampton	Psychology
Royal Holloway, University of London	Criminology and Psychology
Middlesex University	Sociology with Criminology
